

July 2017 Update New Features and Updates

Student Achievement Manager & All SAM-Based Programs

Update

- Student Achievement Manager (SAM) and all programs that run on the SAM and SAM Central platforms have been upgraded to version 2.6. Be sure that the program version matches the version of SAM.

***READ 180* Universal**

Update

Assessments

- Performance improvements

Do The Math

***Do The Math* App**

- In multi-touch activities, clicking left then clicking right (or clicking or tapping both at the same time) no longer causes the activity to freeze.
- Dragging a cube, fraction strip, or card outside of the frame no longer freezes the activity.
- Spinner is now a separate tool in Addition and Subtraction topics.
- Various visual improvements.

HMH Teacher Central

Updates

Home Screen

- California class and student Product Settings now load completely.

Resources

- *READ 180* Universal (Stage B glossaries; Stage A, B, and C Writing Zone prompts) and *Do The Math* resources added to the Resource Library.
- Performance improvements
